

New Jersey Chapter of the
American College of Health Care Administrators

October 1, 2009

Dear Vendor:

We are writing to inform you of a fantastic opportunity for you to promote your business and potentially increase your customer base. Due to the overwhelming response from businesses such as yours, the New Jersey Chapter of the American College of Health Care Administrators (ACHCA) Business Affiliate Program continues to grow.

As a Business Affiliate, you and your company will have the opportunity to promote your products and services, as well as network with many administrators and other long term care professionals throughout New Jersey.

The Business Affiliate Program benefits include:

- A booth at our Annual Meeting/Trade Show scheduled for the Spring or another meeting depending on space availability
- Advertisements in our quarterly newsletter
- Website link
- Educational Program Sponsorship opportunities
- Speakers Bureau
- Recognition at all College functions
- The ability to demonstrate your commitment and support for the NJACHCA
- And much more.....

Our mission of our state Chapter of ACHCA is to enhance the professional development of Administrators in New Jersey through networking, education and communication in order to improve the quality of care provided to those we serve. We sincerely hope you take this opportunity to partner with us during these challenging times in the health care industry. We provide numerous opportunities for direct access to decision makers at health care facilities at a reasonable cost.

Advertising space as well as trade show participation is limited, so do not delay! Please contact us if you are interested in this program. We thank you for your support of the New Jersey Chapter of the ACHCA and its' membership.

Sincerely,
